# Brain Tumor Guide For The Newly Diagnosed (Version 7)

## Synopsis

[Note - There is a newer version available ] Brain Tumor Guide for the Newly Diagnosed Version 7 is a comprehensive resource provided by the Musella Foundation For Brain Tumor Research & Information. The purpose of this guide is to provide you with tools, resources and ideas to explore further with your doctors and is not meant to be medical advice. An easy to read manual for those newly diagnosed with a brain tumor including sections on "Why Me?", tools to help you get organized, the role of caregivers and support groups, frequently asked questions, sex and fertility, and the latest information on treatments and clinical trials. Why? Because within the next 12 months, over 200,000 people in the U.S.A. will be diagnosed with a primary or metastatic brain tumor. Check our website at <http://virtualtrials.com> for more information on brain tumors - and a free version of this guide!
