Neurosurgery Knowledge Update: A Comprehensive Review

Synopsis

Ã Â Praise for this book: The book is quite engaging, is an easy read, and has details that can be immediately applied to your practice. For those who create lectures for residents, fellows, or CME courses, the key points in each chapter are worth integrating into the lecture material, and this is especially true if one intends to use an audience-response system in their presentation. -- American Journal of Neuroradiology Certification from the American Board of Neurological Surgeons (ABNS) is the gold standard for certification of neurosurgeons practicing in the U.S. This text is the most up-to-date board review guide for neurosurgeons. It features actual cases, over 300 high-quality illustrations and images, clinical overviews, and a Q and A that mimics the ABNS exam format. Uniquely qualified as esteemed experts in organized neurosurgery as well as past or present Directors of the ABNS, the editors have compiled a book of remarkable depth and scope. With contributions from top neurosurgeons in each subspecialty, this text will prepare neurosurgeons for the rigorous ABNS exams. This indispensable book will help neurosurgeons and neurosurgical residents prepare thoroughly for written and oral board examinations, and benefit board-certified neurosurgeons who need to fulfill MOC requirements. Thieme eNeurosurgery is the world's most comprehensive neurosurgical resource online. For a free trial, go to: <http://thieme.com/eneurotrial>

It's enough for both oral and written examinations, very practical and updates are supported by latest evidence based practice. Excellent review

Succinct and well organized update. As a neurologist, this makes for a handy reference, and my neurosurgery partners are glad that I don't call them as often.

Excellent Book to update Neurosurgical Knowledge.

Concise, clear and practical knowledge for practice. Will need a more comprehensive study guide for the written boards, but I highly recommend for any M4 going into neurosurgery or residents currently practicing.
