Off MotoGP Season Review 2008

Synopsis

Now in its fifth year, the official MotoGP Season Review records the 2008 season with a captivating blend of fine writing, expert analysis, brilliant photography and detailed statistics. This was the year Valentino Rossi took back his title, winning nine of the 18 races and standing on the rostrum an astonishing 16 times. He also regained the MotoGP crown after a gap of two years, something only the great Giacomo Agostini has achieved before in the entire history of the GPs. Off track, there was plenty of intrigue surrounding the move to a single tire supplier for 2009. Each of the 18 races is covered in depth, with full race report and supporting statistics. There is a technical review of the bikes, featuring a stunning double-page photo of each machine, and each rider's season is summarized. Finally, there is the unique Riders' Rider of the Year feature, in which all the riders who have ridden more than one MotoGP race this season vote to find out who they judge is the best rider.

Book Information

Series: Motogp Season Review

Hardcover: 216 pages

Publisher: Haynes Publishing UK; 2008 ed. edition (August 1, 2009)

Language: English

ISBN-10: 1844255670

ISBN-13: 978-1844255672

Product Dimensions: 9 x 0.8 x 12 inches

Shipping Weight: 2.9 pounds

Average Customer Review: 4.7 out of 5 stars 4 customer reviews

Best Sellers Rank: #782,376 in Books (See Top 100 in Books) #60 in [Books > Sports & Outdoors > Miscellaneous > Motorcycle Racing](#) #521 in [Books > Engineering & Transportation > Automotive > Motorcycles](#) #570 in [Books > Sports & Outdoors > Miscellaneous > Motor Sports](#)

Customer Reviews

Julian Ryder is best known for his colorful and insightful style as a TV commentator, but he is also a prolific journalist and author. His other books include *Moto GP in Camera* and *Carl Fogarty: The complete racer*.

Nice read as an alternative to Motocourse.

I love MotoGP racing, the bikes, and the superstars who ride them. I admit my bias, but I love the series of books. My only complaint is why the author reveals the winner in the title or the first few sentences of the description of each race. Why not walk us through qualifying a little, the opening laps and pertinent action. Finish the story with the last few laps and reveal the winner. Still, I love the series. If you are interested in the history of MotoGP I would highly recommend.

I don't usually do reviews, but I had to for this book. I'm a huge Rossi fan, and this was a great season. This book has really great photos, and every detail I could want to know for the 2008 season. I'm just very impressed with the format and all the photos and details of this book. It's just a very complete look at the entire season, the riders, the tracks, everything. If you love Rossi and love MotoGP, this is really a great book to have. Go Rossi !!

The review had a cool feature where it gives every riders order as the laps go by in a big chart, so if a rider passes rider/s in a single lap, the chart shows it. Really interesting to see any 'trends'. Good book, spendy but pretty good.
