JOYCE MEYER is a #1 New York Times bestselling author and one of the world's leading practical Bible teachers. Enjoying Everyday Life airs daily on hundreds of television networks and radio stations worldwide. Joyce has written nearly 100 inspirational books. Bestsellers include *God Is Not Mad at You*; *Making Good Habits, Breaking Bad Habits*; *Living Beyond Your Feelings*; *Power Thoughts*; *Battlefield of the Mind*; and *The Confident Woman*. Joyce travels extensively, holding conferences throughout the year, speaking to thousands around the world.

Joyce has produced another best seller. Each day has one word for you to meditate on. She gives a

short devotional about the word. As always, she gets right to the heart of the matter. I recommend it especially to those who have five minutes or less for devotional reading. You can always think about the word of the day as you go about your business in the day.

great way to start your day

I am a huge Joyce Meyer fan and have several of her books. This one does not disappoint and is a nice addition to my collection for the upcoming New Year.

I love Joyce Meyer and have been reading her daily devotions for years. I purchased this one and 16 days into the new year just haven't been able to get into it. Somehow I am not learning the way I have with her other devotions.

Joyce Meyer is one of my favorite author/speaker/teacher, this daily devotional is just the book to start your day with.

I read it every morning. It is a very good daily devotional. I like the fact it gives 1 word topics for the day and gives the vocabulary meaning of the word before you read the body of the devotion then ends with the corresponding scripture.

Short and easy to do first thing in the morning when I don't have a lot of time before work. It always encourages me and leaves me feeling ready to face the day.

I gave this book to my wife at the same time I purchased "Power Thoughts" devotional for myself. I have asked her how she is enjoying her book and she said she looks forward to every morning to see the inspiring message lady Joyce Meyer has in store for her. She really loves it and we both feel more energized once we leave the house for work in the mornings.
