Customer Reviews

Great product and service!

I really like this book. I use it for all of my young male voice students. I love using the cd during lessons so I can focus on what the student is doing. It is also great to have the cd for the students to practice with.

Great starting compilation for young singers.

Good book

Exactly as advertised. Can't ask for much more.

Nice to have a collection for this age group. Includes songs from both older and newer musicals.

CD's ability to transpose key and change tempo a big plus. Looking forward to using this anthology in my studio!
