The 's Pledge

Synopsis

Jorem Farr is a fugitive. A renegade sorcerer born in a city that despises magic, he has spent his entire life on the run from a group of fanatical, mage-killing huntresses. But everything changes when he flees into the arms of and the long, slender legs of a beautiful warrior who inexplicably pledges her life to his service. Jorem quickly learns that her sacred vow involves far more than acting as his bodyguard, however. She magically binds herself to his will, allowing her to sense his deepest desires and anticipate his filthiest carnal needs. What follows is an adventure filled with sex, swords and sorcery—in other words, the consummate fantasy erotica! The 's Pledge is an action-packed erotic fantasy novella (23,000 words).
