Every Man's Battle Audio: Every Man's Guide To Winning The War On Sexual Temptation One Victory At A Time

Synopsis

From the television to the Internet, print media to videos, men are constantly faced with the assault of sensual images. It is impossible to avoid such temptations—but, thankfully, not impossible to rise above them. Shattering the perception that men are unable to control their thought lives and roving eyes, *Every Man's Battle* shares the stories of dozens who have escaped the trap of sexual immorality and presents a practical, detailed plan for any man who desires sexual purity—perfect for men who have fallen in the past, those who want to remain strong today, and all who want to overcome temptation in the future.

“There is no more common enemy of true manhood than the diversion or the perversion of our sexual capacities. I welcome every contribution to the arsenal of resistance.”—Jack W. Hayford, Litt.D., pastor of The Church on the Way and president of The King's Seminary

“The vulnerable, honest, and insightful pages of this book reveal what every man must know.”—Drs. Les and Leslie Parrott, authors of *Saving Your Marriage Before It Starts*

“Clear, practical principles for sexual purity—a call for courage, commitment, and self-discipline.”—Dr. John C. Maxwell, founder of the INJOY Group

“Read with an open heart, *Every Man's Battle* may save your marriage and your witness.”—Dr. Gary Rosberg, president of America's Family Coaches author of *Guard Your Heart* and *The Five Love Needs of Men and Women*

Includes a special section for women, designed to help them understand, empathize, and support the men they love.

The transaction was great. As for the audio book itself...I can appreciate a straight shooter...no beating around the bush...but I didn't think it was necessary for this book to start out the way that it did... Why add fuel to the fire, to prove a point!? A topic as this one ...is sensitive and it requires "truth" ...but describing, so in depth, an incident of a barely dressed, sweaty, female jogger...that, to me, just puts a vision and even more lustful thoughts, into the heads of men, that they don't need...especially if they are struggling with sex addiction, lust, an eye problem, infidelity, etc. I'm sure being an audio book, it may have emphasized this scene even more so ...but I believe the point could have been made with out so much detail. Otherwise, there was a lot of good content, information, steps, etc to becoming the man of sexual integrity that God desires us to be.

I got this for someone who is not a Christian to try to help them in this area of their life. I have not listened to this, but he has been telling me about what he is learning on it and he has a hard time with a couple of aspects of it. 1) The guys telling their stories are extremely descriptive about female attributes & stuff that it ends up being a "turn on" just to listen to. 2) There are some things in here that are not 100% biblical and end up being a little more of some one's opinion of what you should do. I guess everyone is entitled to their opinion, but it needs to be clearly stated as such and not masked as "God's direction" for us. This kind of stuff makes it even more difficult to lead someone to Christ when personal ideas are mixed in with God's word and it becomes so "legalistic" that the person is turned away from wanting to follow the path of Christ. Overall, he is getting some good basic things to think on and that makes it worth it. I think if someone already is a Christian and is earnestly seeking something to help them in this area of their life (ie. They want to make a change AND they want to do it God's way) then this will be pretty helpful. Of course, they still have to

endure the tantalizing stories which seems counterproductive to me!

Arrived on time and as described.

Yep every man does battle with this and the authors give insightful suggestions on how to deal with lust. A must for the lust driven world we live in - great for couple who want to come clean with the deep rooted sin of lust - also suggest Every Women's battle for the men to listen to also, very insightful. For the brave at heart listen to both of them as a couple.

The authors have wrote a very useful and Christian based book on how they battled with sexual temptation and how every other man has his own battles and how to overcome them using God's truth has the foundation. And the audiobook is a great way to listen on the go!

A+
