All You Frightfully Fun Halloween Handbook

Synopsis

From adorable pumpkin families and classic jack-o-lanterns to down-right scary giant spiders (eek!), the All You Frightfully Fun Halloween Handbook packs in more cute and creepy crafts for tabletops, porches and yards than you'll have room to display. Kids and adults alike will marvel at the ingenious storybook costumes, like Charlotte the Spider and Curious George, and shiver at the sight of our graveyard-chic décor. The best part? Every idea comes with simple instructions and a clear list of budget-friendly supplies you'll find online or at nearby stores. And since no holiday celebration is complete without delicious food for the whole family, our dozens of recipes for appetizers, main dishes, sides and, of course, desserts, will satisfy even the hungriest vampires or zombies in your brood. We've even included easy-bake treats so you can use up all that leftover candy (Mmmm... Milky Way Pudding!). No matter whether you're gathering toddlers, teens or adults for your annual spookfest, the All You Frightfully Fun Halloween Handbook offers low-cost, big-bang ideas to ensure everyone a hauntingly good time.

Halloween is my favorite time of the year. This book is full of good ideas. Very happy with this purchase.

Great mix of craft and food ideas, and costumes, etc. for Halloween. Was led to get it from an All You magazine in a Doctor's office. It showed how to make cute pumpkin kittens, and we were smitten.

Too cute! The ideas in the book are fantastic for all ages. I used it to make projects with my grand children and we had a ton of fun. It's a great addition to my craft library.

Very nice book, lots of good receipies. Would have like more out door deco ideas, but still a nice book for the price.
