PUNISHING MISS PRIMROSE, Parts I - XX: The Complete Set: An Erotic Historical In The Red Chrysanthemum Series

Synopsis

Indulge your most wicked desires...“Sometimes you just pick up the right book that just hits you and makes you really love it. This was one of those books for me. I just got so into the story and never wanted it to end.” - Romancing the Book review of Em Brown’s SUBMITTING TO THE RAKE*****PARTS I - V Miss Primrose needs to be punished. A member of the wickedly wanton Inn of the Red Chrysanthemum, where the most taboo and illicit pleasures are indulged, Miss Primrose or Mistress Primrose, as she prefers left Nicholas Edelton a shell of a man. Now his older brother, Spencer Edelton, the Marquess of Carey, intends to provide her a set-down she will never forget. Weary from exacting her revenge upon the man who raped her sister, Beatrice Primrose has had her fill of men of privilege and presumption, but she accepts a fateful invitation from a handsome nobleman to spend a sennight at his estate for a grand sum of money. She soon learns, however, that she will not get to reprise her role as Mistress. To her horror, she finds his lordship expects her to submit to him! In a clash of wills, fueled by vengeance and lust, Lord Carey and Miss Primrose wrestle for dominance in, and out of, the bedchamber. Their biggest struggle, however, may be against their own desires. PARTS VI - X Her punishment continues. Submission is not something familiar to Beatrice, so she is more than disconcerted to find herself responding to his touch. But she is not about to put up with his aggravating, sometimes overbearing, sometimes arousing attempts to bend her to his will. When Lord Carey discovers that she has defied his most important directive, his forbearance is pushed to its limits. PARTS XI - XV The punishment goes too far. Beatrice has no intention of falling for the overbearing Marquess, but her body cannot resist his touch. More and more, she finds herself wanting the pain and pleasure of submission. But when Lord Carey discovers the worst of her crimes against his brother, will the retribution he seeks be too much for her to handle? PARTS XVI - XX The punishment must end. To his dismay, the venerable Marquess of Carey has fallen in love with a strumpet, a siren who enflames his desires and provokes him to do the most wicked, wanton things to her. After suffering the wrath of Lord Carey, Beatrice wants more than a little revenge. But if she stays in his company, she risks revealing the truth of what happened between his family and hers. It is a truth she must keep secret from him at all cost. If only passions did not burn so hot. If only submission was not so seductive nor punishment so sublime. Customer Reviews

BEFORE I GO ON..... PEOPLE THIS IS AN EROTIC BDSM BOOK..... IF YOU'RE NOT INTO THAT..... DON'T BUY IT!!NO NEED TO POST "RUBBISH" POSTS.Em Got the feeling of being a switch just so. There's a lot of complexity in a BDSM Relationship and she got both parts right for the Miss Primrose.The wanting to be in charge and the wanting to be submissive, it all fits so well with a life some of us choose to live.*Well except we don't live in England at the turn of the century* LOL.Spencer brings out the switch personality as well BUT not so much, he prefers domination, thinking he's getting revenge. BUT Revenge can lead to all kinds of things you never knew you felt!

I did not know what to expect. Interesting and had a great plot. The erotica, I presume that's the appropriate word; was something I never read before and it was part of the story. I think I might enjoy other books by this author. I even learned some historical facts and some terminology that I did not know. If you are offended,d by sex scenes, especially some that is considered deviant, don't

read this book. The serial aspect for the reader was definitely a good idea but I paid a bit more for kindle versions because I didn't catch it!

I have been blown away by the set ! Wonderful writing! I could not stop reading . Great storyline and felt like I had stepped back in time. I admit to looking up a phrase or detail to better understand but that made it all the better! I've read so many types of romance and erotica that I felt I had become a bit jaded. Sifter, biker, mafia, special ops were all exciting and steamy but this was even better. This woke up my senses and has inspired me to look up more of this authors work and other historical romance.

The complete set of this exotic historical series was definitely sexual but the ending turned great. I can't wait to read more of your stories.

I totally enjoyed this really different set of romance books. It did not go as I suspected at all. I would definitely recommend this set of books to my friends.

I loved the story line. Stayed up to read when I should have gone to bed, so well worth the read.

Held my attention from the start. I just had to purchase the full collection after the first free 5 created fodder for the most delicious fantasies all my own. There was a bit of awkwardness in the storytelling of the brothers interactions but none of that existed in the main plot. Great character development of our wanton leading lady and lord makes this a great read

Loved reading this series. After reading the first part, I had to get the rest. Couldn't wait to read it all and loved the ending. Believe I will read it again and again.
