Recipes from the Disney Kingdom. Recreate the wonderful food served by the chefs at the enchanted castle in your kitchen.

If you love WDW and to cook - it's a great little book. I made a point of eating some of the recipes included in the book on my last visit in October. Lots of fun.

Great book lots of recipes for the foods I love at Disney, wish it had been in regular book format

Love this book. Has a great clam chowder and meat loaf recipe.

For the Disney fan, this cookbook is a must. Recipes come straight from the kitchens of Disney restaurants both Disneyland and Disney Florida.

I was surprized to see all the great receipes. Very good instructions.

Fast delivery. Good product as advertised.

I am a collector of all things Disney. This cookbook is a really great addition to my collection. Item was as described, and better. Thanks for the quick ship too!

This book has so many fantastic (and easy) recipes, it's just exciting to move from one to the next. Full of good recipes.
