Customer Reviews

We love to go on mystery rides. This has really broadened our range.

Very informative book. Good for reference. Arrived in time and in great condition.

Fascinating compilation of little known, but valuable locations.

nice book of towns in adirondacks.

This book is great on many levels. You can just be an armchair traveler and read about each town in the Adirondacks. Each 2 page spread was written by resident of that town so you are getting the insider's information. The history, the uniqueness of the place, recreation opportunities and points of interest. And the book is an invitation to explore the Adirondacks, not just to ride through the park, but to experience it. You can stop at the suggested points of interest, try a new restaurant, take a hike, visit a museum or shop at the specialty shops. You can get your book signed, stamped or stickered to proof that you were there. Many stores and restaurant are displaying a sign with the Adirondack 102 logo so you know they are participating in signing your book. Other places haven't gotten a special stamp yet, but from my experience business owners are more than willing to stamp or sign

your book. When you have visited 102 stamps, you can become an official Adirondack Vagabond.

Although it is listed as a "club", there are no membership fees and there is no pressure. This book makes a great starting point for exploring the Adirondacks . Use it as a passport, record your adventures and go at your own pace.
