Cuckold Erotica: The Complete My Husband, My Cuckold Series

Synopsis

The story starts Lisa discovering her husband's infidelity. She'd suffered these feelings of humiliation, of inadequacy, and of powerlessness over and over again but she's decided that it was time he understood what it was doing to her. Filled with righteous indignation, she gives him the ultimatum: She gets to have a lover as well and James has to watch it happen. Terrified by the prospect of losing his wife, James agrees, only to be horrified when the man she chooses is one of his oldest friends. Neither James nor Lisa expect this humiliating act of cuckoldry to be the missing piece to their marriage and way of life neither will be willing to give up! The cuckolding of James continues as his wife takes more lovers and humiliates him further in their presence. The story expands when one of these lovers, Jarrod, eventually marries and hopes that his wife will have other men as well. Unfortunately for them, Jarrod ends up hating the experience and has to deal with his own feelings of inadequacy. It's too late to go back though - his formerly innocent wife has gotten a taste of what it means to have other men and she won't give that up!

Wow, this has been quite a read. I never thought I would finish reading this book but I did and I'm quite glad that I did. Because this is the first time that I have read about this theme, cuckold erotica. I am not much of an erotica fan, but reading this book has been given me a different perspective about it. I think this story of Lisa and James has been an overwhelming one. Well, this is quite a reading experience for me.

This is an exciting book. I enjoyed the story of James and Lisa. The story grows when one of these darlings, Jarrod, in the long run weds and expectations that his better half will have other men too. Sadly for them, Jarrod winds up detesting the experience and needs to manage his own sentiments of insufficiency. I am satisfied with this book.

Cuckolding is one of my favorite fetishes to read about and the author did a great job of showing how loving couples might engage in it. The husbands weren't pathetic and the women weren't horrible. The sex scenes were hot and had some good variety.

Five stars for this wonderful and exciting romance book! The whole story is so fascinating and addicting! I really like how this book was written! Very much worth reading and recommending to all!

A complete 6 volume series in one set. This is one of the most detailed erotic book I have read. Its really exciting sexuality and the heat rush was really intense and electrifying. Story plot was fine and the characters were sufficiently developed in the story. Writing is very well illustrated and allows readers to fantasize in mind. Great writing.

1. This is the first erotica story I have read. I really enjoyed this story. If the reader enjoys these types of books this one will not disappoint! It could have used another pass by an editor but all in all it was well done.

This is really 2 different stories. Parts 1-3 focus on Lisa and James and 4-6 focus on Jarrod and Riley. Jarrod does make an appearance as a bull with Lisa, and Lisa returns later and does talk a few times with Lisa, but mainly each half focuses on its respective couple. So, they do loosely tie together. Lisa has had enough of James' cheating and decides to give him some of his own medicine...and makes him watch. All the normal cuck emotions appear including him liking it. This enhances their relationship. Jarrod enjoyed Lisa and wants Riley to enjoy the same thing. Only thing is he can't handle it and they don't have the same level of communication that the other couple have. It strains their relationship because she stops when Jarrod asks but she doesn't really want to. Cat's out of the bag...The writing style was decent but it could use a better proofreader. A number of grammar issues popped up...including a couple of rather humorous ones : "her body's quacking" ;)Overall a decent read.

"What are you talking about?" James asked. His brow furrowed into three lines of confusion. Lisa ignored his growing distress. So he did love her, or maybe he just didn't want to be punished. Whichever it was, it was of little consequence now. He'd made his bed and lay in it with some other woman, and now Lisa was going to give him a taste of his own medicine.
