How To Land Your Dream Job Right Out Of College By Networking Like A Rockstar: The Ultimate Guide For College Students To Get Any Employer To Hire You—No Matter Your Grades, Your Major, Or Your Backg

Synopsis

Jaymin has discovered the methodology behind getting any student to be considered a "Rockstar Candidate" by any company. He has developed a "science" behind networking that anyone can understand (especially international students and introverts). He helps students develop the strategies and skills sets required to land their dream job right out of college. The book is full of tips and tricks collected from dozens of college students on their journey to get their dream job including his own personal successes and failures as a Student and Recruiter. In this book, Jaymin helps students:

- Build confidence in talking to anyone
- Understand what a Recruiter is really thinking and how they really make decisions
- Clearly articulate their career goals and definition of career success
- Identify the right individuals to network with
- Understand the 11 Attributes of an Rockstar Candidate that firms are looking for
- Self assess and determine if they are a Rockstar candidate
- Develop lasting personal relationships with influential individuals
- "Work the room" with ease and finesse at networking receptions and Career Fairs (especially in a "circle of death" situation)
- And most importantly | Understand what NOT to do, what to do, and when

This book will teach students what they need to know to land their dream job... no matter their grades, their major, or their background! It will help ensure students find wild success in college, career, and beyond!
