# Moving Beyond Sectarianism: Religion, Conflict And Reconciliation In Northe

## Synopsis

Moving Beyond Sectarianism is a major six-year research project of the Irish School of Ecumenics focusing on the role of Christian religion in sectarianism in Northern Ireland. It offers a new definition of the phenomenon, a detailed analysis of sectarian dynamics, and a series of models for helping people to transform such dynamics. "A challenging and provocative book... The strength of their analysis lies in the identification of sectarianism as a system... An uncomfortable book, but not one without hope."-- The Irish Times.
