Customer Reviews

This book leaves no stone unturned. Packed with facts and beautiful prose, the author really does his best to carefully guide you through Istria. I was amazed at the level of detail and really enjoyed the Google maps and links integrated throughout the book. You can tell that this was a guide written by a traveler, for a traveler. With well-organized chapters, I know I could rely on this e-book when traveling. A quick glance at my phone and I'd find my next point of exploration - and thankfully Toni even details wifi and internet options for when traveling through Istria. Best of Istria is a must have for anyone traveling through this Adriatic peninsula.

This guide is very well done and informative. I liked reading about the different areas of Istria and activities that could be done in each city or town. The author seemed like he could relate to me as a traveler and anticipate where I might need extra help or guidance, like basic stuff but also more complicated things, too. The photos and maps were also good.

Excellent resource as the writer focus on regi Ns AND has excellent sections on focus ares of interests like churches, wineries, olive oil, gastronomy, health and such. Love the maps and suggested drives. Photos also add to the design and anticipation appreciation of a good travel guide. And the research and links are very helpful.

Really enjoyed reading about Istria in the Best of Istria. A great resource for my family and I while on vacation in Istria and easily pulled up on Kindle on my smartphone. The details in the book were accurate, the links took me to local websites and made our trip easy and more fulfilling. Highly recommend the book.

The best of Istria was really helpful in capturing all the best spots. Well written and extremely helpful! Made me feel like I had a local friend showing me around all the hidden gems of Istria.

Always wanted someone to write a book that would make me feel as if I had my own personal tour guide and Toni did it! So impressed how well written and helpful this guide was!

This is an AMAZINGLY COMPREHENSIVE, short book! I am an avid, seasoned traveler, used to

planning out numerous 21 day trips and this book had some AWESOME details that definitely helped with my upcoming road trip to Croatia! Thanks Tony!

Awesome book, fun to read and with tone of suggestions and descriptions on what to do and what the see in Istrian peninsula. Highly recommend it.
