Annie Bullen is a novelist, journalist and writer with a particular interest in travel, historic buildings and gardens. She has written several Pitkin City Guides. --This text refers to an out of print or unavailable edition of this title.

I used it for a day visit to Bath and honestly it covered all my needs for sightseeing. It is concise and precise. It is not very heavy and thick. I can say it is roughly the size of a magazine. The only concern is that the section on eating, drinking needs a bit of more detailed information. You will see this guide being used by almost every tourist in the city. Buy one before you go if you do not have a more general book like Lonely planet-England or something like that...
