"A superbly produced book... Over the past decade, the London-based publisher Phaidon has produced a series of monographs on the most influential and revolutionary international chefs of the new century, people such as Spaniard Ferran Adri   of elBulli in Spain, Rene Redzepi of Noma in Denmark and Virgilio Martinez of Central in Peru and the environments in which they work. Now Hunter and Brae have joined their ranks." [Afr.com \(Australian Financial Review\)](#) "Chef Dan Hunter has redefined modern Australian cuisine with his stand-out restaurant Brae." Brae is the vision of chef and owner, Dan Hunter. Dan's journey with cooking has taken him around the globe and into the kitchens of some of the world's most acclaimed restaurants, including an appointment as Head Chef at Mugaritz, Spain. Before opening his own venture, Dan spent six years leading the kitchen of Dunkeld's Royal Mail Hotel. There he developed his first intensive organic kitchen garden program and took the establishment to its Three-Hat status. In December 2013, Dan's first solo venture, Brae, was opened.

Great book! Beautifully done
