Harper's Bazaar: Greatest Hits

Synopsis

Harper's Bazaar is America's longest-running fashion magazine, revered for its style-setting contributions to fashion, photography, and graphic design. Under the direction of Glenda Bailey in this decade, the magazine has maintained its position as a prominent cultural icon. Bailey is known for commissioning dazzling visual features that frame fashion in the context of contemporary pop culture and aesthetics. Shot by well-known photographers and featuring supermodels and supercelebrities, Bazaar's fashion photography is always beautiful and entertaining. Harper's Bazaar: Greatest Hits is a collection of more than 300 photographs that chronicle the best fashion of our time. A celebration of fashion, a romp through a riotous and eventful decade, and a banquet of contemporary imagery, Harper's Bazaar: Greatest Hits is also a glamorous object in itself. Praise for Harper's Bazaar: "So if you love pop culture and you love fashion, you'll want to pick up a copy of Harper's Bazaar: Greatest Hits, a new book that's packed with both." •Cosmopolitan.com "The images, taken by some of the world's greatest photographers, are awe-inspiring." •ARTINFO "It's been 10 years since editor-in-chief Glenda Bailey took the reins at Harper's Bazaar, and the magazine is celebrating the milestone with a splashy coffee table book. Harper's Bazaar: Greatest Hits (Abrams) illustrates Bailey and creative director Stephen Gan's tenure through more than 300 colorful images, organized chronologically. The magazine's memorable moments also include essays from luminaries like Patti Smith and our own Arianna Huffington, who wrote about the politics of fashion prior to the 2008 presidential election." •Stylelist.com "This book is a fashion lover's dream." •WhoWhatWear.com

beautiful vibrant color photos and a very nice size book. you will not be disappointed.

Excellent item, highly satisfied, wonderful book, superb illustrations

Harper's Bazaar is known for its spectacular fashion photography and this beautiful book is the best testimony. It is a huge thick book full of amazing large full color covers and fashion shoots that graced the pages of Harper's throughout the last decade. The book also includes some articles written by celebrities. The book shows a wide range of stunning clothes designed by the world's top designers including Karl Lagerfeld, Tom Ford, Alexander McQueen, and Marc Jacobs just to name a few. This book is a great addition to all fans of beautiful fashion photography. I only wish Harper's would consider releasing another volume chronicling their classical and early issues, but until then *Diana Vreeland : The Eye Has to Travel* , serves that end by providing a series of beautiful archival covers and fashion editorials. Both books are highly recommended.

Thanks!

Wonderful look at fashion history. The photos are artsy and beautiful, and present a great overview of fashion and culture. I grew up reading my mom's Harper's Bazaar, so I'd like to see earlier photos and "greatest hits" too. This book features amazing shots from the last decade and I hope they print similar compilations of earlier decades!

Beautiful, inspired...all the reasons I purchased this book. Great vendor!

Muy buen libro, tiene mucha buena informaciÃ³n y tiene muchas fotografÃ­as excelentes que nos ayudan a los fotografos a crecer

Beautiful book full of iconic fashion photography. A must for your fashion library, along with Vogue Houses Gardens People and People Parties Places but better. So glad I bought it.
