More Of Neil Zurcher's One Tank Trips: Travels In Ohio And Over The Edge

Synopsis

The world's only tuba museum. A jailhouse bed & breakfast. A flying loveboat. Beer Camp. Neil Zurcher sure knows how to find unusual getaway ideas! With this sequel to his #1 bestseller (Cleveland Plain Dealer), Neil Zurcher's Favorite One Tank Trips and Tales from the Road, Neil takes readers back out on the road to some of this region's most offbeat and unconventional travel destinations. Book 2 continues where the first volume left off: on the road to delightful mini-vacations in Ohio and now across the border in Michigan, Indiana, Pennsylvania, New York, Kentucky, West Virginia, and Ontario. All of the destinations are just a tank of gas away. Also inside are more of Neil's Tales from the Road, hilarious anecdotes from 17 years of traveling the road as a television reporter.

"[Neil Zurcher] has turned himself into something of a one-man local travel industry." -- Crain's Cleveland Business

Neil Zurcher has been uncovering delightful getaways close to home for almost two decades. His popular One Tank Trip reports are now the longest-running local travel segment on television.

Gives you so many places to see in Ohio. I love it. Easy to read and I got it at such a great price.

This delightful companion book to Neil Zurcher's Favorite One Tank Trips is every bit as useful for our short-trip planning.

The Book had suggestions.....I just didn't care for the suggestions that were made. I Never took; not a one....One Tank trip. I had the Book read through...during one afternoon.

Author should develop a link with online editions of "Roadside America"..the national (2nd ed.) covers mostly major "tourist traps"...out west.
