The Cleveland Neighborhood Guidebook

Synopsis

This book is for those who want to understand what radiates away from Terminal Tower, and who understand that as lovely as the city often is, it can sometimes be brutal, too. You will read about places no longer here, such as the Little Italy Historical Museum and League Park, as well as increasingly popular areas, such as North Collinwood and Asiatown. You will learn about Cleveland Heights' natural history, Mount Pleasant back in the day, and Opportunity Corridors missed. The writers tell you stories about starting a business in Ohio City, marketing Larchmere, first time home buying in Detroit Shoreway, self-loathing in South Euclid, troubling developments in Tremont, closed schools in Lee-Miles, and a vineyard in Hough. Bound together, they conjure a Cleveland as complex as are its residents. The least practical, most literary guide to the city, *The Cleveland Neighborhood Guidebook* includes essays by: Gregg Mattson on Kinsman Amy Hanauer on Shaker Heights Lee Chilcote on Detroit-Shoreway Tom Orange on Brooklyn Centre Benno Martens on North Collinwood Mansfield Frazier on Hough Sally Errico on Lakewood And many more! Plus Editors Picks for the city's best hikes, dive bars, restaurants, places to live and more.

Customer Reviews

“26 essays on places ranging from Little Italy to Parma, from Slavic Village to Cleveland Heights, from writers who have biked the paths, had a beer in the corner bars, attended the elementary schools or marched in neighborhood parades. Some left those neighborhoods behind, some are newly arrived in them, but all look at Cleveland with a perspective you'll never see in the New York Times or USA today.” Cleveland Plain Dealer
