A bit too wordy

A book to start with for practicing.

Awesome price and easy to read pages!

My son who is 9 is teaching himself to play the trumpet off of this book. So far, so good! Definitely impressed! The DVD isn't very long but it sets a good foundation. Supplementing the DVD and book with YouTube videos works well too.

Purchased for my son. He wants to teach himself how to play the trumpet. So far so good!

I use this everyday! Great item! Love the quality and the price I paid for it. Thank u. 5 STARS I give it

really instructional, CD helped with timing

Started with this book before my first lesson. Little musical knowledge. Found the pacing perfect. The cd is excellent. The ability to play with another trumpet and accompaniment or just accompaniment alone is wonderful. Great value.
