Turned Up: Taking Chances, Book 3

Synopsis

Dillon Alexander has been Kit Derby's nemesis since third grade, when he beat her in the school spelling bee. They've been competing ever since, driving each other to be the best at everything from science fairs to bake sales. While working together one night during their senior year, they stopped bickering long enough to share an emotionally charged kiss. But a tragedy that same night left them both racked with guilt, driving Dillon out of town and leaving Kit determined to keep her distance. Now an emergency room physician, Dillon has returned to their hometown of Chance, Nebraska. Soon he and Kit fall back into old habits, sparring in public while trying to stay out of each other's arms. But when a blizzard traps them overnight at Kit's grandmother's farmhouse, the real competition begins: Who will be the first to give in to the feelings they've denied for a decade?

Customer Reviews

I love Erin Nicholas' books...there hasn't been one that I haven't enjoyed. Her characters are engaging...from the hero and heroine, to their families and friends, to the members of their communities. The sexy times are hot, sweet and, well, sexy! They are the kind of books I cannot put down until I finish it...and then I'm sad it's over! But I have mixed feelings about Turned Up. While I was very excited to read Dillon and Kit's story, because I liked what I read about them in books 1 & 2, their interactions frustrated me. Kit and Dillon have chemistry to spare, but she makes everything a competition, dating back to second grade. Dillon humors her, but he's ready to move beyond competing and into the relationship phase. But our favorite therapist can't get out of her head to get

there. I also was hoping that book three took place during and immediately after the tornado that the earlier books were set in. So, the snowstorm threw me off. I enjoyed the setting, but it just showcased again the glacial pace these two enemies-to-lovers took to get together (not that they were enemies...they were really always friends) But for all my nit-pickiness, I really did like the book. I loved Dillon; he's a straight shooter, get-it-done kind of guy. Kit was a bit too intense for my taste, but I didn't dislike her. All in all, another solid, enjoyable Erin Nicholas read! Thanks to the author and publisher for the ARC. I also bought the book.

I'll admit it. I'm a big fan of Erin Nicholas' work. I read a lot but I still have my go to authors and she's definitely at the top of the ladder. When you read this great book, you'll understand why I say that. Dillon and Kit have known each other since elementary school. There have always been sparks and competition between them. They are both overachievers, always trying to best the other. They live in Chance, the town they grew up in. Dillon is an ER doc and Kit is a psychologist. The town that's well known for its weather. So when a blizzard hits the area, everyone knows just what to do. When no one can get ahold of Kit's grandma, out on her farm, when the storm hits, Dillon takes Kit with him on the back of a snowmobile to check on her grandma. When they get there, her grandma isn't there. She's actually in town with a friend and now Dillon and Kit are stuck at her grandma's house. When the power goes out, the competition between them isn't the only thing that heats up. But when the sun comes up the next day and they're able to get back to town, will they be able to deal with the new dynamics of their relationship? *Turned Up* is the third book in the *Taking Chances* series. While you could read it as a standalone book, it would be better if you read the other two books in the series for the back story. They're great books too and I think you'll be glad you read them.

At first I thought this trope was about second chances, then I thought the arc was hate to love, then I realized this story is the perfect combination of hope, romance, sex and love. A true love story. Ms. Nicholas, in her concluding book of the *Taking Chances* series, has taken two wildly competitive, caring & stubborn medical professionals and forced them to meet head on their true feelings for each other. After a decade of being mostly apart, Dillon & Kit both live and work in their home town of Chance, Nebraska. Chance is known for being a magnet for F4 tornados. And the physical chemistry between our good doctors is off the chart, much like those twisters. Bringing together the characters of the previous books in the series is endearing. Organically depicting the historical and personality issues that brought Dillon & Kit to this steamy crossroads is fascinating. Then following

them through the humorous, rewarding and challenging aspects of small town life to reach the never-ending goal of besting each other is a revelation. Because despite their life long competition Dillon & Kit find something much more important than just winning, they find each other. Wonderful conclusion to the series. You'll never look at a blanket fort the same way again.

OH MY GOODNESS GRACIOUS LOVED IT AHHH!!!!!!! WHIRLWIND CRAZINESS ROMANCE GOING ON IN THERE WOW HOLY FREAKING SMOKE WITH ALL THE SPARKS FLYING AROUND EVERYWHERE BETWEEN DILLON AND KIT BECAUSE OF THEIR CHEMISTRY AND HISTORY BETWEEN THEM OH WOW SOO AMAZING!!!!!! AND ISN'T IT CRAZY THAT THEY GET STUCK IN A BLIZZARD TOGETHER TRYING TO HELP OUT HER GRANDMOTHER BUT THEN FIND OUT THAT'S SHE'S WITH HER SISTER BUT IT'S TOO LATE TO TURN AROUND SO THEY HAVE TO STAY THERE UNTIL MORNING AND WHAT BETTER WAY TO CONFESS ALL THE FEELINGS THAT YOU HAVE FOR EACH OTHER RIGHT LOL AND OF COURSE YOU HAVE TO ADD SOME EXTRA ACTIVITIES IN THERE HAHA

ÃƒÂ Ã Ã„Ã ÃœÃ Ã BUT IN ALL SERIOUSNESS KIT AND DILLON FINALLY ADMITTED TO EACH OTHER THAT THEY LOVE EACH OTHER AWWW SOO ROMANTIC:)))))) AND WITH ALL THEIR FIGHTING BETWEEN THEM IT JUST MAKES EVERYTHING ELSE MORE INTERESTING BECAUSE THAT'S DILLON AND KIT FOR YOU:))) AND WHAT'S REALLY AMAZING IS THAT NOW EVERYONE IS IN LOVE AVERY AND JAKE ARE ENGAGED AND THEN IT'S BREE AND MAX THAT ARE NEXT AFTER AVERY AND JAKE BUT LEAST BUT DEFINITELY NOT FORGOTTEN DILLON AND KIT ARE GOING TO BE ENGAGED PRETTY SOON AHHH!!!! SOO EXCITING STUFF HAPPENING IN CHANCE!!!!:))) SOO AMAZING WONDERFUL ROMANTIC LOVE

IT!:):!:!:!:!:ÃƒÂ Ã Ã„Ã ÃœÃ Ã ÃƒÂ Ã Ã„Ã ÃœÃ Ã ÃƒÂ Ã Ã„Ã ÃœÃ Ã
