Trekking Torres Del Paine: Chile's Premier National Park And Argentina's Los Glaciares National Park

Synopsis

Guidebook to walking and trekking in Chile's Torres del Paine National Park and Argentina's Los Glaciares National Park, areas of Patagonia. Eight different walks and treks are described, including the 10-11 day Torres del Paine Circuit, one of the world's great treks, as well as the shorter Half Circuit (4-5 days). The guide also includes other multi day treks and several day walks, as well as excursions from both Puerto Natales and El Calafate. The 140km Torres del Paine 'O' Circuit in the far southern Andes is a long-distance trek of staggering beauty, as it circuits the Paine massif. This route typically takes 10-11 days to complete and is suitable for competent trekkers. While Torres del Paine National Park offers a remote wilderness, walking is easily accessible with clear trails, good public transport and regular mountain huts and campsites. The guidebook helps walkers and trekkers venture into Patagonia with confidence, and includes advice on getting to and around the regions, languages, visa, currency, accommodation facilities in the National Parks as well as useful guidance on what to take and expect on the treks. Full background information on the geology, history, wildlife, flora and cultures of the regions are also explored, resulting in an excellent companion guide to walking and trekking in Torres del Paine and Los Glaciares.

Book Information

Paperback: 192 pages

Publisher: Cicerone Press Limited; 2 edition (December 30, 2016)

Language: English

ISBN-10: 1852848405

Customer Reviews

Rudolf Abraham is an award-winning travel writer and photographer specialising in Croatia and eastern Europe. He is the author of eight books (five of them on Croatia) and has contributed to over a dozen more, and his work is published widely in magazines. He first visited Croatia in 1998, lived in Zagreb for two years, and continues to spend several weeks a year in his favourite country

in Europe.

It's a great guide. It covers all the points that you want to know before to go. The information is update and you have all the tips about the trips. Great guide.

Good guidebook. It could use some info on the permit process....how far in advance are they available, where to get them. Also could use some info on tent camping only.
