Sugar Plum Ballerinas: Terrible Terrel (Sugar Plum Ballerinas Series Book 4)

Synopsis

Terrel is always in charge, whether she's making lists for grocery shopping (her favorite hobby, AFTER ballet), keeping her brothers in line, or organizing father-daughter time in with her dad. Lately, though, her dad's been acting a little strange--wearing new clothes and way too much aftershave. Things get even weirder when he surprises Terrel with his new girlfriend during a night out at the ballet - a night that was supposed to be father-daughter time.

Customer Reviews

The plot for this book was messy, I do not think that this type of story is good for little girls, my two cents. Consequently, I did not give this to my daughter. Guilty of judging book by the cover on this one.

I just finished reading this book and got online to see if the next one was available for pre-order yet. My granddaughter loved them all and told me she hopes Ms. Goldberg does one for each girl and

then a 'rainbow' colored book for all of them together. She also said she wished there was a movie or tv show about "her book friends". I love the fact that each one teaches a little moral lesson, the one in this book being that sometimes a kid is nasty to others (a bully) because they are unhappy at home. I highly recommend these books for kids from 4 on. They are especially good for read-a-loud time right before bed.

Great book... Way to go Whoopi... Love this series. Got it for my six year old to have in a couple of years. But I started reading them and could not stop. Now my 22 year old is reading them.

Given as gift

Great series for children!

My daughter wanted me to tell Ms. Goldberg (she's 5) Thank you so very much Ms. Goldberg for the best books that we have read thus far. Please keep making this series, and we can't wait to see them on the big screen. Gave them (all 4) to my daughter for christmas of 2010, and we just finished the last of the 4 books in Feb 2011. They truly are just that good.

I bought this book for my niece, she loves it. She can't seem to put it down...definitely a page turner

A Great. lol to buy
