Customer Reviews

English and Spanish translations of familiar words appear side-by-side in four bilingual board books by Rebecca Emberley-My Animals/Mis Animales; My Clothes/Mi Ropa; My Food/Mi Comida; and My Toys/Mis Juguetes-all illustrated with colorful fabric collage against a stark white background. Each object or concept gets its own page, but clever pairings (e.g., "car/el auto" featuring a red car and "truck/el camion" depicting a blue and yellow truck) make the most of each spread. Rebecca Emberley is the author and illustrator of more than 40 books for children, including a popular bilingual board book series for very young readers.

Great books for babies. I've been reading my son Rebecca Emberley books since he was 1 month

old and he is now 1 year old and still loves them. We will be buying more books soon.

This is a good book for families trying to teach their kids another language but for a native speaker like myself it just didn't work for me. The illustrations are mediocre and I would've like to see other types of food (more fruits or veggies).

These Rebecca Emberley books are wonderful. They are simply laid out with both English and Spanish. The illustrations are very clever paper creations of the vocabulary words displayed on each page. I hope to own each book of this series eventually.

Good quality. Using them with my granddaughter, who is half Hispanic and goes to bilingual daycare.

Excellent reading and learning book. I bought one book at a local department store and was so impressed that I had to get all other books shown on the back.

good

My grandson learned the words are in this book.

I do find that some words that she uses in Spanish seem questionable.
