This book offers a planned reading/learning/studying guide. It is a devotional and simple bible study guide all in one. There are basically 5 parts to each week. Monday-an overview.

Tuesday-background info on the passage. Wednesday-a short bible study for one person or a small group. Thursday-applying it to your own life. Friday-praying based on the week's scripture. This is

something one could accomplish in roughly 15 minutes each day (possibly longer on Wednesday). It is a GREAT book for anyone who has newly found themselves wanting to learn and grow in God's word, for anyone who has been away from God's word for a while and is ready to return to it, for any newly saved woman. I think even a teen could benefit but there are others more relevant to a teens current position in life. Great for a working woman, women with children or any woman who want to learn and grown in God's word without having to choose between the Word and the many demands of everyday life. Easy to follow, easy to make this a ROUTINE. Also, the book came in EXCELLENT condition, not a marked page, not a rabbit-eared page, not a mark on the cover. Excellent.

I have this book on my kindle and really like it. But as I read today's August 29, it came to life. In my mind I could clearly feel the pain Joseph was feeling. Anytime a story out of God's word comes alive and captures your heart the story teller has seceded in taking you to that time and place. Great writer.

I wanted something to allow me to take the time to walk through passages of the Word of God. I have found it in this devotional. The only complaint would be that amount of chapters covered in one week. But is it really bad to read the Word of God?

i really love this book.It helps me to understand deeper about the bible.I am going to buy one for my friend soon.Im on my 3rd week now so far I love it .

Love it! I've only read a few pages but I can see that I'm going to enjoy this guide. I look forward to my devotions every morning.

Love this devotional.

This devotional book is different from any I gave read before. It gives a fresh look at scripture and gets you thinking and growing closer to God.

This is a wonderful tool to take you through the Bible. Has different types of activities to do during the week.
