## Synopsis

Guts the Black Swordsman and his companions brave the open sea, hoping to reach Puck's homeland, Elfhelm, and its powerful elven king, who might be able to restore the sanity of Guts' former lover, Casca. But seeking out a sanctuary for Casca means that Guts must postpone his hunt for his ex-friend and leader, Griffith, who has been reborn as a demon lord hell-bent on conquest. The winds of change blow fast and hard across the war-torn lands of the Holy See, and if Guts waits too long to exact his vengeance, Griffith might attain his murderous goals before Guts can return to Midland to stop him!

## Customer Reviews

In this novel the author managed to include the most light heated swashbuckling moments the series can provide, along with scenes of true cosmic terror. Cthulhu has nothing on Miura's Shiva. Berserk never fails to terrify, excite, entertain, and make the reader think. This novel is no exception. This is a series where even the most demonic villains are deeply human, and the hero is as terrifying as the villains. Every moment of this series the characters are growing and the plot is advancing. If nothing else I can promise you there will not be a dull moment in this novel.

Berserk is GOAT

Its not bad, lot action and some strange graphic but, keeps you on toes.

A++

The book was great. I love the story, been following it for years. Can't wait for the next volume to come out.

I love berserk manga it's really awesome it's not for kids the anime so cool and now the manga oh it's really great story

Mr. Miura's dark fantasy masterpiece continues as Berserk presses on with an engaging storyline and fantastic art. Griffith's true intentions remain clouded in mystery. Will Caska regain her sanity and should she regain her former self will she hate Griffith for what he's done? All this and more have yet to be revealed. This is one manga series no to be missed!

I absolutely worship the berserk series it has kept me enthralled since the beginning but honestly I hope it ends soon, too many conclusions its passing over
