The Wit & Wisdom Of Tyrion Lannister

Synopsis

The perfect gift for fans of George R. R. Martin's A Song of Ice and Fire novels and HBO's Game of Thrones: a collection of wicked one-liners from the incomparable Imp of Casterly Rock, fully illustrated by Jonty Clark! "My mind is my weapon. My brother has his sword, King Robert has his warhammer, and I have my mind . . . and a mind needs books as a sword needs a whetstone if it is to keep its edge." The jealous masses of the Seven Kingdoms may call him Halfman, but none have ever accused Tyrion Lannister of being a halfwit. His golden tongue has saved his skin slightly more often than it has landed him in mortal peril. Now, this special illustrated volume preserves his most essential knowledge for future generations, featuring time-tested guidance on such varied subjects as . . . The art of persuasion "The best lies are seasoned with a bit of truth." Fine dining "A little honest loathing can be refreshing, like a tart wine after too much sweet." The fair sex "The young ones smell much better, but the old ones know more tricks." Royal politics "Crowns do queer things to the heads beneath them." Common ailments "A sword through the bowels. A sure cure for constipation." At once charming, insightful, and ruthlessly irreverent, The Wit & Wisdom of Tyrion Lannister is short on pretense and overflowing with finely crafted gems—just like the man himself.

This book is as it is marketed. This book is full of Tyrion Lannister's quotes from the first five "Song of Ice and Fire" series. The quotes are organized into categories for your perusal. It is a perfect gift for a GoT fan, which is why I bought it.

If you are a fan of Tyrion from Game of Thrones, get it! I purchased this for my partner and he has a little Tyrion quote to read each day.

My wife enjoys it immensely!

Wish there were more!

This book has maybe 50 pages of one liners from the book series. Tyrion Lannister is hilarious. I just couldn't resist buying this book for the overall fun of it.

It's cute....there are several "Guffaw" moments, but, it's not worth a lot of money. Mr. Martin probably didn't even write it...somebody took some jokes from his books and put them in this. OK, but....

I was disappointed with this purchase. The pages are quite blank for the amount of text. There are some pictures, but quite a few pages are literally blank. The concept is nice, but the execution is poor.

My grown son loves Game of Thrones, so I used it as a stocking stuffed for him. He love it. And the delivery was very speedy as well.
