Customer Reviews

Superbly edited by Mark Radice, *Opera In Context* is an impressive compendium of essays by a variety of experts that examines representative operatic productions from diverse national schools and periods. These informative and original essays document the history of operatic staging using the words of the composers and their contemporaries as revealed in their diaries, letters, and writings. Other issues and topics covered include historical performance practice, elements of operatic stage craft, scenery, costumes, and lighting. *Opera In Context* is enthusiastically recommended reading for students of operatic history, as well as producers, directors, set designers, conductors, and performers.
