Customer Reviews

One visit to Arizona often leads to another. I ordered two of these calendars early this year. I sent one calendar to my son in Michigan to serve as a daily reminder of the beauty of Arizona and as a means of planning his next trip to Tucson to visit his mom!

As always, the best of Arizona Highways. I live in Arizona and love every picture, some of them are suitable for frames, but I would rather go to the places and take my own pictures, even at my age!! Thank you for offering this calendar, I rarely get to Costco anymore!

We've had one of these calendars in our kitchen for the last 30 years or more! Looks great, good amount of space for jotting down appointments and reminders.

Have family in AZ, and wish I lived there in the winter. Beautiful calendar and photographs.

Wonderful, as always! My wife & I both grew up in Tucson, and this is our way of keeping a little Arizona with us, even in Memphis, TN.

Gave this as a house warming present. Even with your smart phone, it works, and the pictures are so beautiful.

We buy this for our homesick father-in-law every year. He loves it as it reminds him of home. Great Calendar with beautiful pictures.

LOVE pictures in this calendar. Began purchasing it in the mid 90's and continue without fail, to buy one every year.
