Best Sellers Rank: #32 in [Books > Audible Audiobooks > Arts & Entertainment > Photography](#)
#96 in [Books > Arts & Photography > Photography & Video > Business & Careers](#) #617
in [Books > Arts & Photography > Photography & Video > Collections, Catalogues & Exhibitions](#)

Customer Reviews

Not really a how-to book here. The author writes in a friendly and persuasive style to convince a photographer he or she can and should try stock photography. He provides basic tips to start. They are generic in nature and can apply too almost every stock agency. Know that each stock agency has their own specific photographic requirements for submission and the photographer needs to review in detail the agency's requirements before submitting your first portfolio for consideration.

I wish this book went more in-depth on the "how to" part since its that kind of book. Very easy read though.
